Billy is in his final year of pony racing and has competed in all the AW races over this winter, winning the one at Southwell on his current Pony, Buddies Girl, who is very consistent and has been placed in every other run. After the AW series Billy will compete on the Racecourse series and then is hoping to become an Apprentice Jockey.

Jack Dace riding Shegora has enjoyed this experience over the Winter on the AW tracks they are a new combination and though she can be at times a tricky ride at the start Jack has handled her well getting her away and learning to ride from the front and set the right pace.

Jack Dace

Ash has been pony racing since the age of 9, he is currently riding out at Gary Moore's. This is Ash's second season on the racecourse series riding Bongo Bay who has been a consistent pony for a number of years.

Megan
Ridsdale

Megan has only been riding Mallow Royale for a short time and they have raced three times so far coming 4th , 2nd and a Won on monday .

Barnaby
Adler

Barnaby and Buddy have had a really good Winter Series winning three of the four races plus a very close second. We've had to take it very slowly with this previously unraced pony with many mishaps along the way! Never ever thought it would happen but they've finally formed a great partnership

Ollie
Proctor

This is Ollie and Steal My Girl's second season racing together. This will be his last season riding in pony races. Ollie hopes to go Point-to-Pointing next year. Ollie will be 'battling' with GCSEs this year.
